

DEVELOPING KINGDOM WORKERS EASTERN PA ALLIANCE

Continuing Education Grant Overview

DESCRIPTION

The Continuing Education Grant is to provide a catalyst for workers to enhance their current ministry and develop them for long-term effectiveness.

GUIDELINES

A Continuing Education Grant will be awarded according to these guidelines:

- Application to a program or course of study intentionally designed to enhance a specific area of the worker's ministry
- Consideration will be based on both personal and ministry need in regard to finances, current ministry enhancement, and long-term worker development.
- The total expenses of the program will be shared with the worker, the church, and the District each contributing to the cost.
- The maximum grant is \$2000 per year. The total amount received by any grant recipient shall not exceed \$6000 in any three-year period for the same program/degree.
- This grant is for a single year. Each subsequent year will need to be applied for as well.
- Additional grants will be considered for an applicant only after completing a Continuing Education Grant Evaluation Form. This evaluation must be completed before or during the next open grant window.
- Preference is given to those who have not previously received this grant.
