

GOSPEL SATURATED COMMUNITY: FAITH FILLED RISK/MISSION

Discussion Questions

THE CONVERSATION

- What percentage of your people would you say demonstrate that their everyday life is lived on mission with Jesus? How are you as leaders demonstrating this to the congregation?
- What level of openness or resistance do you find in your church toward living on mission?
- What habits/rhythms in your church have the greatest potential to promote living on mission? What habits/rhythms in our church have the greatest potential to hinder living on mission?
- What are the current outreach/mission opportunities of your church? What measurements do you use to gauge their effectiveness?
- What might you have to risk in order to lead your people to engage in mission with Jesus?
- What help will you need internally or externally to move in this direction?
