

# DEVELOPING KINGDOM WORKERS EASTERN PA ALLIANCE

## Multicultural Ministry Grant Overview

### DESCRIPTION

The Multicultural Ministry Grant is to support churches in their efforts to reach growing and diverse ethnic groups in their community with the Gospel.

### GUIDELINES

A Church Health Grant will be awarded according to these guidelines:

- To support local Alliance church efforts toward gospel impact among a growing and diverse ethnic group in their community.
- To churches which have conducted introductory research to identify a growing and diverse ethnic group in their community.
- To churches that have taken preliminary steps to connect with and understand a growing and diverse ethnic group in their community.
- To churches that have developed a strategic plan for reaching a diverse and growing ethnic group in their community.
- This grant is meant to be used within the calendar year that it is applied for.
- Additional grants will be considered for an applicant only after completing a Multicultural Ministry Grant Evaluation Form. This evaluation must be completed during the next open grant window.
