DEVELOPMENT AREA: MULTIPLICATION

Multipliers Learning Community

with Exponential and The Alliance

TRACK DESCRIPTION

The Multipliers Learning Communities were created to help forward-thinking leaders engage in peer-to-peer learning about the future of the church. Participating leaders have tasted success in the context of prevailing metrics. However, these leaders are experiencing a “holy discontent” that is partially rooted in the reality that most of the current methods and measures in the U.S. church are not producing the outcomes Jesus intended (*Exponential*).

You can find the Alliance cohort specific details at: www.exponential.org/alliance.
