

## DEVELOPMENT AREA: PROPHETIC

# Practicing Prophetic Ministry: Deliverance

### HOW DOES THIS TRACK HELP YOU BUILD A DISCIPLE-MAKING COMMUNITY?

As disciples of Jesus grow in hearing his voice, they increasingly do the things Jesus does - including deliverance. This track will provide imagination for the way deliverance can ground disciple making in the active presence of Jesus. The track will also give you tools and practice to make healthy deliverance ministry a part of your disciple-making pathway.

### TRACK DESCRIPTION

Building on the foundation of our first Prophetic Track, "HEARING THE LEADERSHIP VOICE OF JESUS", this cohort offers practical application for prophetic ministry, specifically as related to deliverance ministry. The participants will explore and gain experience in deliverance ministry and will process how to appropriately integrate deliverance in their disciple-making pathway.

### OUTCOMES

1. Biblical basis for understanding and practice of deliverance ministry.
2. Practice in safe, supportive environment
3. Be transformed through developing your Gospel-roots and move in increasing Gospel impact
4. Lead church through growth in deliverance
5. Identify safe friendships with 2-3 others so you can process how you are growing in deliverance ministry

### FORMAT

This track consists of a 3-month cohort experience and focus on one area of practical prophetic ministry, namely deliverance ministry.
